

University of
Western Macedonia

MELINA DRITSAKI
ASSISTANT PROFESSOR
DEPARTMENT OF ECONOMICS
UNIVERSITY OF WESTERN MACEDONIA

PERSONAL DETAILS	
FIRST NAME:	MELPOMENI-STAVROULA (MELINA)
LAST NAME :	DRITSAKI
FATHER'S NAME:	NIKOLAOS
DATE OF BIRTH:	1979
BIRTHPLACE:	THESSALONIKI
MARITAL STATUS:	MARRIED (2 CHILDREN)
WORK ADDRESS:	KASTORIA,52100
EMAIL ADDRESS :	mdritsaki@uowm.gr

EDUCATION/QUALIFICATIONS

2003 – 2005 University of Macedonia, Department of Applied Informatics

Doctor of Philosophy

PhD thesis title: “ The correlation of the Athens stock exchange with those of New York and London and the impact of macroeconomic determinants on stock price returns” *Grade: Distinction.*

2002 – 2003 University of Southampton, School of Management

MSc International Banking and Financial Studies

Recognised by the Hellenic NARIC

Dissertation title: “Macroeconomic Determinants of Stock Price Movements: An Empirical Investigation of the Greek Stock Market and its Interrelation with the UK Stock Market” *Grade: Pass*

1998 – 2002 Aristotelion University of Thessaloniki, Department of Economics

BSc in Economics

(Major: Business Administration) Grade: 7.49/10

1990 – 2001 State Conservatory of Thessaloniki

Diploma in Piano

Grade: Very Good

1995 – 1998 6th High School of Kalamaria, Thessaloniki

High School Degree

Grade: 19.7/20, Distinction

1. MONOGRAPHS

Dritsaki, M. (2005). “The correlation of the Athens stock exchange with those of New York and London and the impact of macroeconomic determinants on stock price returns”, PhD thesis, Department of Applied Informatics, University of Macedonia

Dritsaki M. (2003). “Macroeconomic determinants of stock price movements: An empirical investigation of the Greek stock market and its interrelation with the UK stock market”, Dissertation, International Banking and Financial Studies, University of Southampton.

6. TEACHING EXPERIENCE

- 2023** **UNIVERSITY OF APPLIED SCIENCES , DRESDEN, GERMANY**
 Fachhochschule Dresden (FHD)
 Erasmus+ Blended Intensive Program (BIP) [27/11- 1/12]
Assistant Professor
- Macroeconomic Outlook for Greece
- 2023** **UNIVERSITY OF WESTERN MACEDONIA , Kozani**
 Faculty of Economic Studies
 Summer School
 MSc in Human Resources Management, Communication and Leadership
Assistant Professor
- Economic Evaluation of Healthcare Programs
 - Quantitative & Qualitative parameters of healthcare assessment
- 2022–now** **UNIVERSITY OF WESTERN MACEDONIA , Kastoria**
 Faculty of Economics Studies
 Department of Economic Studies
 MSc in Public Administration
Assistant Professor
- Research Methodology
- 2021–now** **UNIVERSITY OF WESTERN MACEDONIA , Kastoria**
 Faculty of Economics Studies
 Department of Economic Studies.
Assistant Professor
- Econometrics (3rd year Undergraduates)
 - Time series Analysis(4th year Undergraduates)
 - Macroeconomic Analysis(2nd year Undergraduates)
 - Business Statistics (1st year Undergraduates)
- 2016–2021** **UNIVERSITY OF OXFORD , Oxford, U.K**
 Medical Sciences Division
 Nuffield Department of Orthopaedics, Rheumatology and Musculoskeletal Sciences.
Senior Health Economist
& Kellogg College Advisor for MSc students
- Health economics (MSc in Musculoskeletal Sciences).
- 2013–2016** **UNIVERSITY OF WARWICK, Coventry, U.K**
 Warwick Medical School
Research fellow in Health Economics
- “Introduction in Health Economics and Health Technology Assessment” (health care professionals).
 - “Introduction in Health Economics”

- (2nd year undergraduates).
 - Seminars in Medical Statistics (1st year undergraduates).
- 2007–2013** **BRUNEL UNIVERSITY, Middlesex, U.K**
 Health Economics Research Group (HERG)
Research Fellow
- Short course in Health Economics (for healthcare professionals).
 - Seminars in Economics with applications to public health using STATA (for healthcare professionals).
- 2005–2008** **CITY UNIVERSITY OF LONDON, London, U.K**
 Cass Business School
 Faculty of Management
Visiting Lecturer
- "Quantitative Methods" (1st year undergraduates).
 - "Business Statistics" (2nd year undergraduates).
 - "Econometrics with E-Views" (3rd year undergraduates).
 - "Introduction to Finance" (MSc in Management).
- 2005–2006** **ROYAL HOLLOWAY, UNIVERSITY OF LONDON, Surrey, U.K**
Teaching Assistant
- "Introduction to Microeconomics and Macroeconomics (1st year undergraduates).
 - "Financial Economics" (2nd year undergraduates).
 - "Maths for Economics" (1st year undergraduates).
- 2004–2005** **UNIVERSITY OF MACEDONIA (Department of Applied Informatics)**
Teaching Fellow
- "Principles of Economics" (1st year undergraduates).
- 1998–2002** **MUSIC SCHOOL BOLERO, THESSALONIKI**
Piano teacher
- Teaching piano and music theory to a range of age groups and grades.

7. RESEARCH-PROFESSIONAL EXPERIENCE

- 2016–2021** **UNIVERSITY OF OXFORD, Oxford, U.K**
 Medical School
 Nuffield Department of Orthopaedics, Rheumatology and Musculoskeletal Sciences.
Senior Health Economist
- Lead health economist.
 - Conducting economic evaluations based on randomised clinical trials (RCTs) in the area of musculoskeletal health, surgical interventions, physiotherapy and rheumatology
- 2014–2016** **UNIVERSITY OF WARWICK, Coventry, U.K**
 National Institute for Health Research (NIHR) Warwick hub of the

- West Midlands Research Design Service RDS
Consultant
- Offering consultation and assistance to academics who write research proposals in funding schemes related to applied methodology, health and social care.
- 2013–2016** **UNIVERSITY OF WARWICK, Coventry, U.K**
Warwick Medical School
Research Fellow in Health Economics
- Conducting economic evaluations based on randomised clinical trials (RCTs) in the area of musculoskeletal health and critical care.
- 2007–2013** **BRUNEL UNIVERSITY, Middlesex, U.K**
Health Economics Research Group (HERG)
Research Fellow
- Performing research on the demand for and economic impact of food vouchers on low-income families in Great Britain (funded by the Department of Health, jointed with York University and Food Matters Partnership)
 - Research on Improving outcomes from the treatment of back pain (funded by the National Institute of Health Research, jointed with Warwick University and BackCARE)
-
- 2006–2007** **CITY UNIVERSITY OF LONDON London, U.K**
Cass Business School
Faculty of Management
Research Fellow
- Research on “High Involvement management, employee well-being and organisational performance”(an ESRC-funded project, jointed with the Institute of Work Psychology, University of Sheffield).
- 2005** **LONDON BUSINESS SCHOOL (LBS) London, UK**
Centre for New and Emerging markets
Research Assistant
- Research on a range of emerging markets including economies in transition
- 2004–2005** **UNIVERSITY OF MACEDONIA**
Department of Applied Informatics
Team member for Software Development funded by the Greek ministry of education (EPEAEK II)
- Modernising the internet website for teaching Econometrics.
 - Performing group Econometric assignments for students (via the library and internet), supervising their research and assessing their progress.
 - Providing students with guide and problem solving for econometric packages (MFIT, E-views).
- 2003–2004** **TECHNOLOGICAL EDUCATIONAL INSTITUTION OF THESSALONIKI**

- *Administrative Co-ordinator* in the European funded programme Tempus II (Advanced regional cooperation with South-Eastern Europe: Development of Curriculum studies of Hospitality and Tourism).

8. AWARDS

Young Investigators Award: Cost-utility analysis of a self-management programme of activity, coping and education for COPD. European Respiratory Society. September 2015.

9. PROFESSIONAL ORGANISATION AND POSITIONS OF RESPONSIBILITY

Member of the editorial board in the following conferences:

- ISPOR 18th Annual European Congress (7-11 November 2015).
- International Conference of Development and Economy (I.CO.D.ECON), 2016.
- International Conference on Health Economics, Management and Policy (2015-now)
- International Conference of Development and Economy (I.CO.D.ECON), 2021.
- International Conference of Development and Economy (I.CO.D.ECON), 2022.

Associate -Editor in the following journals:

- The Bone and Joint Journal (2016-2021).
- Athens Journal of health (2015- now).
- Exchange: Warwick Research Journal (2014-2016).

Reviewer in the following journals:

- Health Economics
- British Medical Journal (BMJ)
- Advances in Therapy
- Chronic Respiratory Disease
- Bone and Joint Journal
- Health and Quality of Life Outcomes
- PharmacoEconomics
- Energy Economics
- South African Journal of Economics
- The Journal of International Trade & Economic Development
- Journal of Knowledge Economy
- Resources
- Mathematics
- International Journal of Health Governance
- International Journal of Environmental Research and Public Health
- Sustainability
- Applied Economics

Reviewer in the following grand scheme applications:

- National Institute for Health Research (Programme Grants and Research for Patient Benefit).
- Institute for Health Research & Policy Research Programme.
- National Institute for Health Research's Evaluation, Trials & Studies Coordinating Centre (NETSCC).

Member of the following Trial Steering Committees:

- Work and Vocational advice (WAVE) Trial, Keele University (2019-today).
- Bio-Impedance Spectroscopy To Maintain Renal Output (BISTRO) study, Keele University (2017-today).

Membership of learned or professional societies:

- UK Health Economics Study Group (HESG).
- Royal Statistical Society (RSS).
- International Health Economics Association (iHEA).
- International Society for Pharmacoeconomics and Outcomes Research (ISPOR).
- Hellenic Economic Association.
- Athens Institute for Education and Research (ATINER).
- John Snow Society (Royal Institute of Public Health).
- Research Member of the Common Room at Kellogg College, University of Oxford
- Greek Society of Data Analysis (GSDA)
- Hellenic Society of Women in Universities

Other

- Member of the Register of Certified Evaluators of the General Secretariat for Research and Innovation of the Ministry of Development and Investments
- Member of the Gender Equality and anti-Discrimination Committee of the University of Western Macedonia

10. ADDITIONAL TRAINING

- Multilevel Modelling, Royal Statistical Society, London 21-22 June 2007.
- Micro econometrics: Measurement Matters, Centre for micro data methods and practice (cemmap), London 28-30 June 2007.
- Economic Evaluation in Health Care, Health Economics Research Group, Uplands 17-19 October 2008.
- Improving health protection through behavioural research in the HPA, Health Protection Agency supported by the Infectious Disease Research Network, London 8 February 2008.
- Data Protection and Freedom of Information workshop, Brunel University, Middlesex 14 May 2008.
- Advanced Methods of Cost-Effectiveness Analysis, Health Economics Research Centre, Oxford 7-9 July 2008.

- Introduction to Infectious Disease Modelling and its Applications, London School of Hygiene and Tropical Medicine, London 14-25 July 2008.
- Making a successful research grant applications, Brunel University, Middlesex 12 February 2009.
- Introduction to Applied Health Economics, Methods for the analysis of health care utilisation and expenditure, Health Econometrics and Data Group University of York, York 21-23 April 2009.
- New Developments in Econometrics, Institute of Fiscal Studies, London 16-18 June 2009.
- Applied Panel Data Analysis, Oxford Spring School in Quantitative Methods for Social Research, Oxford 15-16 July 2009.
- Regression Methods for Health Economic Evaluation, York 5-7 April 2011.
- Handling missing outcome data in randomised trials, Cambridge 20 June 2011.
- Project Management, Brunel University 7-8 November 2011.
- Interview Skills, Brunel University 17 May 2012.
- Work smarter not harder, Brunel University 23 January 2013.
- An introduction to Good Clinical Practice, University of Warwick 26 April 2013.
- Economic Evaluation based on Clinical Trials, University of Glasgow 30 October-1 November 2013.
- Successfully Incorporating PROMs in Clinical Trials, Primary Care Clinical Sciences, University of Birmingham, 17 March 2016.
- Ethics of Trials within Cohorts (TwiCs) designs: International Symposium, London, 7 November 2016.
- Official Launch of the Recovering Quality of Life (ReQoL) measure at Portcullis House, Palace of Westminster, London, 12 October 2016.
- Economic Evaluation alongside surgical clinical trials, Bristol, 21 November 2017.
- Health Economics Analysis Plan meeting, Bristol, 5 July 2017.
- Erasmus + online academic seminars organised by the University of Western Macedonia, 29 March; 5 April; 6 May & 13 May 2022
- Training on online teaching, University of Western Macedonia, 1 & 8 February 2023

11. RESEARCH GRANTS HELD AS CO-APPLICANT & LEAD ECONOMIST

1. A Randomised Controlled Trial of Manipulation and K-wire fixation versus Manipulation and Casting in the Treatment of Adult Patients with a Dorsally Displaced Fracture of the Distal Radius (**DRAFFT2**)
 - Principal Investigator: Professor Matt Costa, University of Oxford
 - Funding body: National Institute of Health Research (NIHR HTA)
 - Duration: 84 months,
 - Award: £1,632,950.00.
2. Clinical and cost effectiveness of progressive exercise compared to best practice advice, with or without corticosteroid injection, for the treatment of rotator cuff disorders: a 2x2 factorial randomized controlled trial (**The GRASP trial**)
 - Principal Investigator: Professor Sarah Lamb, University of Oxford
 - Funding body: National Institute of Health Research (NIHR HTA)

- Duration: 44 months
 - Award: £1,228,382.54
3. Trial of Acute Femoral Fracture Fixation (**TrAFFix**). A feasibility study.
 - Principal Investigator: Professor Matt Costa, University of Oxford
 - Funding body: National Institute of Health Research (NIHR HTA)
 - Duration: 18 months,
 - Award: £201,870.00
 4. World Hip Trauma Evaluation - **WHITE 5**: A randomised controlled trial to compare contemporary uncemented hemiarthroplasty with the standard-of care-cemented hemiarthroplasty for the treatment of displaced intracapsular hip fractures.
 - Principal Investigator: Professor Matt Costa, University of Oxford
 - Funding body: National Institute of Health Research (NIHR RfPB)
 - Duration: 36 months,
 - Award: £349,832.00
 5. Evaluation of chest wall stabilisation through Operative Rib Fixation (**ORIF Study**)
 - Principal Investigator: Ben Olivere, University of Oxford
 - Funding body: National Institute of Health Research (NIHR HTA)
 - Duration: 54 months
 - Award: £1,581,237.72.
 6. Patch-Augmented Rotator Cuff Surgery (**PARCS**) feasibility study
 - Principal Investigator: Jonathan Cook, University of Oxford
 - Funding body: National Institute of Health Research (NIHR RfPB)
 - Duration: 21 months
 - Award: £195,346.40
 7. Managing Avascular Necrosis Treatments: An Interventional Study (**MANTIS**).
 - Principal Investigator: Professor Siôn Glyn-Jones, University of Oxford
 - Funding body: National Institute of Health Research (NIHR HTA)
 - Duration: 66 months,
 - Award: £1,512,729.00
 8. Nail Injury Analysis Trial (**NINJA**)
 - Principal Investigator: Dr Abhilash Jain, University of Oxford
 - Funding body: National Institute of Health Research (NIHR HTA)
 - Duration: 36 months
 - Award: 349,012.44.
 9. **WHITE** Seven-Wound Healing in Surgery for Hip fractures (**WHISH**)
 - Principal Investigator: Professor Matt Costa, University of Oxford
 - Funding body: Arthritis Research UK (ARUK)
 - Duration: 60 months
 - Award: £ 281,679.41.
 10. Treating to target in psoriatic arthritis: assessing real-world outcomes and optimising therapeutic strategy for individuals.
 - Principal Investigator: Dr Laura Coates, University of Leeds
 - Funding body: NIHR fellowship
 - Duration: 60 months
 - Award: £ 281,679.41
 11. Repurposing anti-TNF for treating Dupuytren's disease (**RIDD**)

- Principal Investigator: Professor Jagdeep Nanchahal, University of Oxford
 - Funding body: Health Innovation Challenge Fund, Wellcome Trust
 - Duration: 36 months
 - Award: £1,306,468.78
12. A Randomised Controlled Trial of single dose anti-biotic loaded cement versus high dose dual anti-biotic loaded cement in patients receiving a hip hemi-arthroplasty after fracture (**WHITE 8-COPAL**)
- Principal Investigator: Professor Matt Costa, University of Oxford
 - Funding body: Hereaus.
 - Duration: 43 months.
 - Award: £ 1,354,347.74.
13. The forearm fracture Recovery in Children Evaluation: A multi-centre prospective randomized equivalence trial of a soft bandage and immediate discharge versus current treatment with rigid immobilisation for torus fractures of the distal radius in children (**FORCE**)
- Principal Investigator: Dr Daniel Perry, University of Oxford
 - Funding body: National Institute of Health Research (NIHR HTA)
 - Duration: 24 months.
 - Award: £853,045.00
14. Surgery or Cast for Injuries of the Epicondyle in Children's Elbows. A multi-centre prospective randomized superiority trial of operative fixation versus non-operative treatment for medial epicondyle fractures of the humerus (**SCIENCE**)
- Principal Investigator: Dr Daniel Perry, University of Oxford
 - Funding body: National Institute of Health Research (NIHR HTA)
 - Duration: 48 months.
 - Award: £1,237,716.11
15. **STIFF-F**: Segmental Tibial fractures, reamed Intramedullary nailing versus circular Frame external Fixation – A feasibility study
- Principal Investigator: Dr Caroline Hing, University of Oxford
 - Funding Body: National Institute of Health Research (NIHR, RfPB)
 - Duration: 25 months
 - Award: £ 278,002.00
16. The Spinal Fusion Indications and Outcomes Randomised Trial (**SpInOuT**) - A Pilot Trial.
- Principal Investigator: Dr Dominique Rothenfluh, University of Oxford
 - Funding Body: National Institute of Health Research (NIHR, RfPB)
 - Duration: 20 months
 - Award: £ 237,203.37
17. Behavioural Insights and Effective Energy policy Actions (**EVIDENT**)
- Principal Investigator: Dr Panagiotis Sarigiannidis, University of Western Macedonia
 - Funding Body: European Union's Horizon 2020
 - Duration: 36 months
 - Award: €1,200,000

12. PRESENTATIONS IN CONFERENCES WITHOUT PROCEEDINGS

1. **Dritsaki, M.**, Gray, A., Petrou, S., Dutton, S., and Lamb, SE. (2017). "An annotated guideline to the use of a health economics analysis plan (heap) alongside randomised controlled trial". Paper presented at the 4th International Clinical Trials Methodology Conference (ICTMC) and the 38th Annual Meeting of the Society for Clinical Trials, Liverpool.
2. **Dritsaki, M.**, Achana, F., Mason, J., and Petrou, S. (2016). "Use of baseline health-related quality of life data within trial-based economic evaluations of interventions delivered in emergency or critical care settings: a systematic literature review". Paper presented at the Health Economists' Study Group meeting, Gran Canaria, 21-23 June 2016.
3. **Dritsaki, M.**, Hee, S.W., Patel, S., Willis, A., Lord, J., and Underwood, M. (2013). "Design and Implementation of a Clinical Trials data repository". Poster presented at the Health Economists' Study Group meeting, Warwick, June 2013.
4. **Dritsaki, M.** (2009). "A systematic review and economic model of antibiotics prophylaxis for methicillin-resistant *Staphylococcus aureus* nasal carriers". Paper presented at Health Economics Research Group, Brunel University.
5. **Dritsaki, M.**, and Morris, S. (2009). "The impact of mental well-being on obesity in Great Britain" Paper presented at the *Health Economists' Study Group*, Manchester.
6. DeMenezes, L., Wood, S., and **Dritsaki, M.** (2009). "Family-friendly management in Britain under New Labour were there significant changes between 1998 and 2004?" Paper presented at the *EcoMod 2009 International Conference on Policy Modelling*, Ottawa, Canada, 24th-26th June 2009.
7. **Dritsaki, M.**, and Morris, S. (2009). "The impact of self-reported mental wellbeing on obesity using the British household panel survey. Paper presented at the 8th *International Conference on Health Economics, Management and Policy*, Athens, 29th June-2nd July 2009.
8. DeMenezes, L., **Dritsaki, M.**, Wood, S., and Farleigh, E. (2007). "Family-Friendly management in British workplaces". Paper presented at *Cass Business School*, City University, London.
9. Wood, S., Farleigh, E., DeMenezes, L., and **Dritsaki, M.** (2007). "Well-being in British workplaces: Analysis of WERS2004 data. Paper presented at the *Employment and Social Policy Seminars*, Policy Studies Institute (PSI).
10. Wood, S., Farleigh, E., DeMenezes, L., and **Dritsaki, M.** (2006). "Job design, teamworking, trust, performance-related payment systems and employee well-being". Paper presented at the 21st Annual Employment Research Unit Conference "Employment Relations in Practices: Perspectives from WERS2004", Cardiff Business School, University of Cardiff.
11. DeMenezes, L., **Dritsaki, M.**, Wood S., and Farleigh, E. (2006). "Family-Friendly management in Britain: It's nature, usage and relationship to organizational performance". Paper presented at the 21st Annual Employment Research Unit Conference "Employment

Relations in Practices: Perspectives from WERS2004", Cardiff Business School, University of Cardiff.

12 **Dritsaki, M.** , Dritsaki, C., and Adamopoulos, A. (2005). "Foreign direct investment, trade and economic empirical analysis of the Greek economy", 10th International Conference of the Economic Society, Thessaloniki, Greece.

12. WORKSHOPS

1. Workshop on 4th International Clinical Trials Methodology Conference (ICTMC), Brighton, UK, **9 Oct 2019** with Prof Will Hollingworth and Dr Joanna Thorn. Title: "*A hands-on introduction to health economics analysis plans (HEAPs)*".

2. Workshop, by invitation, on Annual European Congress of Rheumatology (EULAR), Rome, **10-13 June 2015** with Dr Joshua Pink. Title: "*Unlocking the mystery of health economics : From theory to practice*".

3. Workshop on XIII International Back Pain Forum, Campos do Jordao, Brazil, **30 Sept-3 Oct 2014** with Prof Martin Underwood. Title: "*Validation and implementation of a resource questionnaire for use in low back-pain research*".

14. TALKS BY INVITATION

- Mental Health and Well-Being Seminar Series, Warwick University-Mental Health and Health Economics-2013.
- Select-d investigator meeting- Health Economics within select-d-2014.
- "Implementing better value options: Back Skills Training" presented at the symposium on Better Value Musculoskeletal Care 2016
- Returns of research funded under the NIHR HTA Programme: Economic Analysis of the BeST trial", presented as part of the RRIO team meeting

15. ADMINISTRATIVE ACTIVITIES

- Scientific coordinator of the interdepartmental foreign language program "*Economics and Sustainable Development*", Department of Economics, School of Economic Sciences, University of Western Macedonia
- Departmental Erasmus coordinator for undergraduate students , Department of Economics, School of Economic Sciences, University of Western Macedonia
- Student Academic Advisor, Department of Economics, School of Economic Sciences, University of Western Macedonia
- Member of the Internal Evaluation Team (OMEA), BSc in Economics, Department of Economics, School of Economic Sciences, University of Western Macedonia

- Member of the Internal Evaluation Team (OMEA), MSc in Public Administration, Department of Economics, School of Economic Sciences, University of Western Macedonia
- Member of the Scientific committee at the International Conference of Development and Economy (I.CO.D.ECON), 2021
- Member of the Scientific committee at the International Conference of Development and Economy (I.CO.D.ECON), 2016.
- Paper reviewer at the ISPOR 18th Annual European Congress (7-11 November 2015).
- Paper reviewer at the International Conference on Health Economics, Management and Policy (2015-today).
- Member of the organising committee for the Health Economics Study Group meeting-HESG hosted by the University of Warwick, 2013.
- Applying for and obtaining funds (£1.608) for the organisation of departmental journal clubs at Warwick University.
- Applying for and obtaining funds (£1.344) for the creation of monthly meeting of the Early Career Research Staff network at Warwick University.
- Organising talks with external speakers at Warwick University
- Representing early career researchers at the meeting with the Dean at Warwick University.
- Representing department at Athena Swan meeting advancing gender equality in academia at Warwick University
- Conducting interviews for new staff members (Warwick and Oxford Universities)
- Member of team meetings for strategic planning and management
- Responsible for research team's data protection management at Brunel University
- Subscribing to health economics journals or renewing existing ones on behalf of the Health Economics Research Group according to team needs
- Acting as team's Brunel University Research Archive (BURA) manager.

16. POSTGRADUATE STUDENT SUPERVISION

- Aureliano Finch-MSc in Health Economics, London School of Hygiene and Tropical Medicine (dissertation published in *Spine*).
- Hiral Shah-MSc in Health Economics, London School of Hygiene and Tropical Medicine (dissertation published in *Health and Quality of Life Outcomes*).
- Kate Walker, PhD, Nottingham University Hospitals (chapter on health economics analysis published in *An international Journal of Obstetrics and Gynaecology*).
- An Nguyen Thi Thu-MSc in Health Economics, University of York (dissertation under publication).
- Apostolidou Georgia- MSc in Public Health, Department of Economics, University of Western Macedonia
- Zioga Vasiliki- MSc in Public Health, Department of Economics, University of Western Macedonia
- Theocharopoulou Eleni- MSc in Public Health, Department of Economics, University of Western Macedonia
- Kontou Sophia- MSc in Public Health, Department of Economics, University of Western Macedonia
- Baltzaki Eleni- MSc in Public Health, Department of Economics, University of Western Macedonia

- Batategas Nikolaos- MSc in Public Health, Department of Economics, University of Western Macedonia
- Xeniteli Artemis- MSc in Public Health, Department of Economics, University of Western Macedonia
- Pasiali Ourania- MSc in Public Health, Department of Economics, University of Western Macedonia
- Terpsopoulou Anastasia- MSc in Public Health, Department of Economics, University of Western Macedonia
- Tetoulas Alexandos- MSc in Public Health, Department of Economics, University of Western Macedonia

17. FOREIGN LANGUAGES

English (proficient spoken & written, teaching certificate)
French (A1)

18. COMPUTER LITERACY

- Proficient in Microsoft Office 2000 (Excel, Word, Access, Power Point).
- Use of Econometric software: Microfit, E-Views, STATA, SPSS (advanced).
- Use of economic evaluation software: TreeAge (intermediate)

19. PROFESSIONAL BREAKS

Maternity leave: April 2010-February 2011.
February 2018-February 2019.

20. CITATIONS (16-12-2023)

- GoogleScholar: 2239 (h-index:23, i10-index:50)
- ResearchGate: 1732 (RGscore =33.93 h-index:19, i10-index:19)
- SCOPUS: 921 (h-index:16)
